About

RustWeek is organized by Stichting Rust Nederland, RustNL for short, and a team of organizers and volunteers.

The first two editions of the event RustNL 2023 (275 attendees) and RustNL 2024 (450) provided a stepping stone towards the 2025 event: a full week of Rust and hosting the first Rust project All Hands since 2019.

RustNL is a registered non-profit that strives to promote the implementation of the Rust programming language.

RustNL is an Associate Member of the Rust Foundation.
